Here we are in the new year already. Last year was a difficult one for all of us. So glad we made it through! We look forward to a better 2021. The Covid-19 pandemic has changed the way we work, play and live. But we are determined to bring you the best fetish magazine in the world with your help. Keep your suggestions coming, we love to hear from you!

Amazing Lucy Latex makes her debut in TABOO this issue. A sensation in the world of latex, Lucy takes on two guys at once and has no problem satisfying both. Her latex hood is sprayed with come, a TABOO first. Way to go Miss Lucy!

Such a demure creature, Isola August sure isn't pee-shy. Her revealing interview holds the secret to her modeling allure.

Paige Owens is back. Her sex appeal is obvious. Paige is all revved up and ready to whip your ass, beat your balls and plumb the depths of your inner works. Don't worry, she promises very tender aftercare. Who could ever say no to Paige? Definitely not me!

We examine the steamy side of double-jeopardy in our report on twins. After all, two are always better than one.

Thank you for helping us keep the lights on. Play safe!

ISOLA AUGUST

How did you decide on your name?
Isola means island. No woman is an island.

Why did you want to shoot for TABOO?
TABOO is a cool magazine!

How often do you look at porn online?
Hmm, I don't know, three maybe four times a week? It kind of depends on how horny I am that week, how much masturbation I plan on doing.

What kind of porn do you like?
I really like cream-pie porn, when the guy comes inside the woman and you see it coming out. I have a fetish for that. I find it very hot.

I store a bunch of images in my head, either from life or porn, and draw upon them during masturbation. My brain has a porn data base.

Do you like rough sex?
Yes, I like all kinds of sex. My favorite is being dominated. It's the psychological aspect that I like. Being demeaned and controlled, using me like a fuck doll and telling me what to do. I like being used sexually, that turns me on.

During a photo shoot, are you aroused?
Yes, definitely, because I am already in the headspace for it, sexually turned on. I think it comes across and makes the photos look better.

When you see the finished images do you feel more empowered?
It's awesome to see the photo shoot, how it comes out. It's definitely very empowering and sexy.

Also knowing that the pictures might arouse other people is hot. I'm pro-masturbation. I'd like to support that cause, lol!

How do you feel about bondage?
I'm selective about who I do bondage with, but I like it. It can be really hot and also artistic. Sometimes, I'm uncomfortable with it, I feel like I want to get out. But, at the same time, bondage is a turn-on psychologically. I am a very willing participant with the right person, but not just anybody.

Did you enjoy peeing on camera?
Yes! I peed all over my feet in the shower. Peeing can be hot! I have also peed in sexual situations. If someone's into it, I'm open for it.

How about being peed on?
I have been peed on, but not in the mouth. So far it has been below the neck, all over my chest and body. In my mouth would be a new level of degradation for me. I want to save some things for when I decide to degrade myself further in the future. Leave open some new frontiers!

How has the pandemic changed your sex life?
I do a lot more masturbation, that's for sure. I also have a few covid safe sex partners that I see very occasionally. We get tested beforehand.

When the Covid-19 pandemic is over, what is the first thing you are going to do?
Travel out of the country!

URINATION NATION

PHOTOS BY SEXKICKS

Misty has had to urinate since she started playing with her handsome Grinder date. He took the lead early on, collaring and gagging her the minute she came in the door. Not wanting to interrupt the mood, she didn't dare ask to be excused to take a piss. Finally, after hours of holding her golden fluid, Misty asked if she could go to the bathroom. "Do you have to pee? he boomed. Why didn't you say something!" With that, he produced a stainless steel bedpan and ordered her to go right then and there. Not missing a beat, she sucked his cock into her mouth as she relieved her bulging bladder into the cold pan.

Double Down!
TABOO probes
the fascination with...

twins

photos by

denys defrancesco

It's a fetish that has no name, but many, many enthusiasts. There are scientific terms for sexual fixations on everything from balloons to bugs, but no designation has yet been coined for the very popular obsession with twins. Medical science may not have caught up with this particular twist, but porn certainly has. A quick Web search will turn up dozens of sites featuring twin babes in sexual situations of all kinds, from the playful to the perverse.

In the former category we find the Barbie Twins, quite the rage a few years back for posing in latex and bondage, but never going far toward fulfilling the fantasies they inspired. Similarly, The Porcelain Twinz's fetish-inflected stage burlesque act, replete with corsets and garters and matching rubber outfits, has played clubs from Berlin to Boston, again, titillating audiences with flirtatious behavior and suggestive dialogue without crossing into forbidden territory.

But for those not satisfied with mere implication, there are XXX performers like the Milton twins, the Bucci twins, Brooke and Taylor Young, and Lacey and Lindsey Love having sex oncamera simultaneously with guys, girls and—at least in the case of the Milton sisters—coming as close to enjoying carnal pleasures with one another as the law allows.

While modern commercial porn errs on the side of caution by treating the subject coyly, earlier eras have been less inhibited. The brothels of pre-war Paris and Berlin often boasted of twin-sister prostitutes who would service not only their clients but each other for the client's entertainment. Live sex shows in Europe offered lesbian twin acts as far back as the Gilded Age and as recently as our own time.

The male-centered fantasy of coupling with a matching brace of hot babes may be comparatively innocent, born of the simple logic that there can't be too much of a good thing. If both girls are appealing, why wouldn't a guy want them at the same time? At this level, the fetish is fairly playful, as one sees in the common twin-threeway Internet clips. The girls display their physical similarities to their partners, blind-

fold them to see if they can tell the girls apart merely by geography, trade off sucking and fucking while inviting comparisons and, perhaps most importantly, exhibit one of the duet for visual stimulation while the other provides physical stimulation. This often leads to double-entry fucking, either side-by-side or doggy-style, and to the standard conceit of a double-facial pop on a pair of identical visages.

Going deeper and darker, the underlying allure of such pairings is undoubtedly lesbian incest. What many men would like to see, or better yet do in private, is participate in the sexual activities of twin sisters with one another. This is a truly perverse and fetishistic taste, expensively sated by sister prostitutes (or at least girls similar enough to pass as identical) throughout the history of sex commerce. The thrill of witnessing such intimate deviation plays to male fantasies about what girls so closely matched by nature might get up to on their own. In fact, instances of sisterly incest are rare in nature, however commonly they occur in the febrile imaginations of men, but the tempting notions such tableaux invite aren't difficult to deduce. What two women in the world could know each other's physiologies and appetites as well as twin sisters? Constantly together throughout their sexual development, would it be so "unnatural" for them to experiment with one another's girlie bits? And having done so, and found it pleasurable, would they not be in an ideal situation to perfect their techniques with one another? The inborn intimacy of twin sisters would also suggest, not necessarily correctly, that they would have few inhibitions about engaging in simultaneous acts of perversion with a male companion. The Miltons, for instance, play to this expectation by doing ATOGMs with male performers. Watersports

Kalone

are far from uncommon in the world of "twincest" porn, as if girls who grow up in such close quarters would tend to be uninhibited about sharing bodily functions.

Traveling a still more stygian route, twins often feature as characters in BDSM tales, usually as slaves and often compelled not only to take pleasure with one another, but to inflict pain as well. The assumption would be that torturing one's twin sister would be no less harrowing than torturing oneself, or that witnessing the suffering of a twin would be more profoundly anguishing than almost any conceivable spectacle. Just as they would be presumed familiar with each other's preferences, so they would seem likely to be keenly aware of each other's fears and vulnerabilities. Pitting them against one another is all the more profoundly depraved for the way in which it turns the closest of affiliations into a source of unwanted power to torment all the more effectively. The "slave sisters" trope is common to BDSM illustration and literature, often taken to truly disturbing extremes. In such fantasies, twins often face the appalling choice of engaging in deviant cruelty towards their siblings or enduring it simultaneously, acquiescing in a Master's wicked game in the delusional belief that they will be able to spare each other some painful debauchery that would be imposed more harshly by their Masters. Of course, it's never allowed to work out that way and often a hidden streak of suppressed cruelty surfaces in the commission of the vile deeds, with ancient resentments and long-held jealousies suddenly liberated by the compulsion of third parties.

The complex twists and turns inspired by the contemplation of having one's way with a matching set of beauties are difficult to map, but certainly a fertile field for research by those to whom the forbidden exerts a magnetism of its own.✌

IN THE NEXT ISSUE OF HUSTLER'S TABOO®

Pierced contorsionist Marina Valentine twists her body effortlessly into spine bending positions. The nubile, self-described switch expounds on her nascent adult career as well as her darkest desires.

Domina Stacy teases and tortures her submissive man-toy until the poor bastard can hardly contain himself. Stacy pushes his limits and uses him to her highest ecstacy.

Plus, pissers, bondage, latex and more! See you real soon!
